

2012 JUNIOR PROGRAM NATIONAL HIGH AVERAGE REPORTING FORM

Instructions: Please indicate the highest average for two individuals in each age division (male/female) within your program. Each bowler must have at least 21 games. Bowler averages will be compared against submissions from other certified league bowlers. Bowlers with the highest average among national peers will be recognized. Note, in case of average tie, the bowler with the higher number of games will win. The Junior Program Director reserves the right to make additional awards. National high average recognition will occur during 2012 TNBA Convention week in Indianapolis.
