Dear Senate Presidents, Coaches, and Coordinators:

Welcome to the 39th Annual Central Regional Junior Tournament which will be held in Cleveland, Ohio, on April 6, and 7, 2012. Sincere thanks to the Cleveland Senate for hosting our 2012 and 2013 tournament. It is wonderful to finally bowl in Cleveland.

Please...Please...Please pay special attention to the deadlines and adhere to each one. This truly makes our tournament a huge success. The recommended changes in our 2012 package have been highlighted in red. I thank those of you that submitted your 2011 information in a thorough and timely manner.

Our deadline date for average verification is January 31st, and the tournament deadline for all entries is Sunday, February 19, 2012. Another significant change is we will use one house for both events. Singles will be held on Friday and teams on Saturday.

I especially thank those that provided ads for our 2011 Souvenir Booklet. I ask that each of you make more of an effort to support the Souvenir Book this year. Please make a greater appeal to your parents to place an ad in the book for their child and continue to remind them and their child of the deadline. Suggest to the bowlers to contact friends, other family members, their church, adult bowling leagues and the bowling centers to purchase an ad in the book on their behalf. If every child donated one dollar you would have enough to feature a full page ad for your league. A greater effort will be made on our part to contact you with reminders about the Book.

Coaches and coordinators, there will be a meeting at Freeway Lanes Wickliffe, 28801 Euclid Avenue, Wickliffe, Ohio 44092, at 4:00 pm, Friday, April 6, 2012. Please RSVP with the number and names of those who will attend. You may contact me at (810) 230-0726 or send an email to meeks862@att.net or dknucklesmeeks@flintschools.org.

Have a wonderful bowling season, and I look forward to seeing you next April.

Respectfully yours,

Delores J. Knuckles-Meeks
